## About Us

We "**Lift Mech Industries**" is one of the leading **Manufacturer & Exporter** of **Industrial Stackers, Drum Handling Equipments, Goods Lifts And Elevators, Hand Pallet Trucks, Scissor Lift Tables, Floor Cranes** and many more. Our claim to success is hallmarked by the offered quality products that gained us huge recognizance. We are working towards development through a determined team of people to meet the most stringent requirements of customers. Today, we are a leader in providing wide range in-plant material handling equipment, storage solutions and warehousing. We at Lift Mech Industries provide the "Complete Material Handling Equipments" and Storage Solution.

Our bulk material handling solutions are efficient, durable, fast and strong. Raw material of great strength and supreme quality are used by us for manufacturing aforesaid products. From improving productivity to reducing the possibility of employee injuries at workplace, our solutions are appreciated for all. Our four years of journey in this material handling industry has aided us in making and maintaining relations with top companies of automobile, construction, pharmaceutical, wood and other industries. In the coming years, we aim at enhancing our reach of distribution in various national and international markets.

Our Mentor "**Mr. Sachin Panchal**" formed the company in **2015** with a...
